Manage Your Workers' Comp Accounts on our Online Producer Portal

Discover the benefits of using our secure Producer Portal. At Republic Indemnity, we provide you with useful online tools so you can easily view and effectively manage all your workers' compensation accounts.

Access the Producer Portal (Broker login button) on our website RepublicIndemnity.com

Home – Producer Activity page

Producer Summary provides a quick snapshot of a one-year period of In Force Business, New Business, Non-Renewed Policies, Renewal Business and Total Business. Drill down for details.

Additional Resources – Quick Links

- Get instant access to Loss Run Reports, Electronic Authorization for a Direct Deposit form. Also view Direct Bill Unpaid Accounts and Agency Bill Statements.
- Use our exclusive quoting tool that streamlines the process of quoting and binding small business with just a few clicks.

Policies

- Stay informed about your In Force business with a convenient All Accounts view spanning the last five years and keep track of changes with real-time updates.

Submissions

- Streamline your submission management by tracking Open, Proposed and Issued Submissions, or reviewing All Submissions. Leverage the Submission Analysis for the past five years to make data-driven decisions.

Renewals

- Assess the status of your business. View Pending, Not Renewed, Renewed and All Renewals (from prior year).

Claims

- View Open and Closed claims and track Recently Reported claims.
- Generate Loss Run Reports and access an Injury Analysis Report for Scheduled, In Force and Cancelled policies.

Billing

- Keep track of your earnings. View your Commission Statements, review unpaid accounts, Agency Bill Statements and mailing address options.

Premium Audit

- View Premium Audit details of your accounts. See a list of Delinquent Audits, Open Audits and Completed Audits.

Resources

- View a list of Supplemental Applications for specific industries, marketing materials, claims forms, facility posting notices and more.

Administration

- Verify your Agency Profile and access the Agency User button to give permission to other co-workers to view policies.

With this robust set of online tools at your fingertips, the producer portal is your gateway to greater efficiency and transparency. Log in to your account often to experience the benefits of using our website to manage all your workers' comp accounts.
