Republic Indemnity®

Manufacturing

Get a clear way forward with Manufacturing submissions.

Navigating workers' comp insurance within Manufacturing can be challenging—especially with California's complex regulations. At Republic Indemnity, we understand the unique needs of the Manufacturing sector.

We are having success in writing Manufacturing business and actively seeking more submissions.

Appetite Guidelines

- \$10,000 minimum premium for most classes
- Limited delivery/off-premises
- Group medical insurance for production staff preferred
- Formal safety plan in place
- Machinery should have appropriate guarding mechanisms

- Lockout/tagout (LOTO) procedures in place
- Prefer majority of processes to use automated/CNC machines (metal, wood)
- Prefer to avoid press brakes and conventional punch presses (metal)
- Loss Control pre-inspection may be conducted on a case-by-case basis
