

# Republic Indemnity®

get a *clear way* forward®

Republic Indemnity is how producers, policyholders and injured workers can overcome all the complexities of workers' comp and get a clear way forward.

Too many people run into endless obstacles when navigating workers' comp. From unanswered calls to uncertainty around pricing to unresolved claims and more.

To **get a clear way forward**, you've got to:

- **10 year average** policyholder tenure
- **17 year average** employee tenure
- **"A+"** (Superior) AM Best rating
- **50+ years of experience**
- **Member of** Great American Insurance Group

**Beat The Complexity** with an experienced specialist who knows the ins and outs of workers' comp in California.

- Rely on the skill and knowledge of long-tenured underwriters, claims adjusters and auditors.
- Avoid unwelcome surprises with a carrier that's known for financial stability and consistent pricing and appetite.
- Level up loss control with local experts that go above and beyond standard safety content.

**Get More Attention** from a responsive carrier with a broad appetite and a more collaborative, people-first approach.

- Work with empowered underwriters and adjusters that get to know you and your clients.
- Never get the runaround when issues arise because you have direct access to responsive professionals.
- Know your client's claim will get the attention it needs from in-house adjusters with low caseloads.

**Make Life Easier** with the right combination of technology and in-house services to get you through every process seamlessly.

- Submit business your way - online or by email - and download policy docs right into your system.
- Offer your clients flexibility with right-sized payment plans and pay-as-you-go options.
- Handle it all with a user-friendly producer portal that has the tools you need to manage your accounts.
